

A.A. Meetings

Open *speaker* meetings — open to alcoholics and non-alcoholics. (Attendance at an open A.A. meeting is the best way to learn what A.A. is, what it does, and what it does not do.) At speaker meetings, A.A. members “tell their stories.” They describe their experiences with alcohol, how they came to A.A., and how their lives have changed as a result of Alcoholics Anonymous.

Open *discussion* meetings — one member speaks briefly about his or her drinking experience, and then leads a discussion on A.A. recovery or any drinking-related problem anyone brings up. (Closed meetings are for A.A.s or anyone who may have a drinking problem.)

Closed *discussion* meetings — conducted just as open discussions are, but for alcoholics or prospective A.A.s only.

Step meetings (*usually closed*) — discussion of one of the Twelve Steps.

A.A. Preamble

Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism. The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; we are self-supporting through our own contributions. A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.
